Introduction

Annually, the Maryland State Department of Education (MSDE) summarizes the enrollment and staff counts for nonpublic schools of Maryland. This collection is authorized under Section 2-205, (o), of the Education Article of the Annotated Code of Maryland which states:

> "REPORTS FROM PRIVATE SCHOOLS - with the advice of the State Superintendent, the State Board shall require each private educational association, corporation, and institution to report annually, on or before August 31, it's enrollment and courses of study on the forms that the Board provides."

In August of each year, enrollment surveys are sent to each nonpublic school accredited by the State of Maryland. To assure a strong response, follow up activities for nonpublic schools not responding include repeat mailings and telephone calls to the school. The data reported in this release are a summary of the data reported to MSDE. In 1995, this survey process achieved a response rate of 95.8 percent.
